

Water Trough Stainless Steel 1200mm

Installation

Footing quantities and depths From ground level

Item	Qty	Hole Diameter	Hole Depth
Posts	2	300mm	600mm

Note:

This product is designed for 50mm softfall. Check the proposed on site softfall depth. If it is not 50mm, please adjust depths of post holes accordingly, to achieve correct overall subsurface depth. This will maintain correct height of equipment above undersurface level.
